

Introducing our SBA Mentor Protégé Joint Venture: JTech

JTech: A Strategic 8(a) SDVOSB Partnership Combining Agility & Experience JTech is an 8(a) SDVOSB joint venture formed under the SBA Mentor-Protégé Program, combining the agility and responsiveness of JCTM, a small, veteran-owned business specializing in intelligence and technology services, with the extensive experience, resources, and past performance of ManTech International Corporation, a world-class government contractor. Together, JTech provides mission-critical intelligence support and tailored technology solutions to the DoD and the Intelligence Community, ensuring innovative and effective services that meet the complex demands of national security.

- **Client-Centered Operations:** Tailored support for both CONUS and OCONUS missions
- **TS/SCI-cleared Workforce:** Ready to deploy personnel with Top Secret (TS) clearances with Sensitive Compartmented Information (SCI) access
- **Proven Integration:** Seamless integration into military and civilian intelligence operations
- **Cost-Efficient Solutions:** Competitive pricing with documented savings for our clients
- **Exceptional CPARS Ratings:** Consistent track record of “Exceptional” performance evaluations
- **Operational Agility:** Capability to support dynamic, austere environments

Advanced Security & Clearance Capabilities:

- JTech holds a **DCSA-approved TS Facility Clearance** with advanced **safeguarding** capabilities
- Our personnel possess TS Clearances, with access to **SCI and Special Access Programs (SAP)**
- We provide experienced, **OCONUS-deployable staff**, with **eligibility for SCI access and polygraph testing**

Differentiators
